Ref. No.: RSSPL/Dealer/003

Dated: 26-03-2021

### **Circular**

#### **Sub: Fitment of HSRP/Colour Coded Stickers**

Dear Dealer,

Greeting for the date!

We at Rosmerta, thank you for your continued patronage and support in implementation of HSRP Project. In line with the **directions issued by Transport Department, for fitment of HSRP/Colour Coded Stickers, the company has created its HSRP online portal bookmyhsrp.com, wherein on ordering of HSRP Plates, Vehicle owners are routed over to you as a fitment location** for fitment of HSRP Plates to their vehicles.

**As per directions of the Transport Department, the fitment process of the HSRP can only be completed via OTP confirmation and uploading the photograph of the affixed HSRP through the HSRP Fitment mobile application.**

But, it has been observed that the mobile application is still not being used by majority of vehicle dealers to update the Photograph of fitted HSRP with the vehicle.

To ensure that the process is implemented and make the process simpler at the end of the dealers, the company has created a page which is accessible from "Actions & Reports" called **"Fitment entry with Image"**

Through this tab

- the vehicle dealer can also update the photograph of fitted HSRP with the vehicle (Front & Rear HSRP Plate).
- The vehicle dealer has to enter the Vehicle Registration No. and attach the photographs (Two) of fitted HSRP on front and rear of the vehicle

A presentation is annexed for your understanding.

For understanding/clarity on the above, you may also approach your respective HSRP representative assigned for your support or contact us at Toll Free No: 1800 1200 201

With Regards,

**Business Development Team  
Rosmerta Safety Systems Pvt. Ltd.**
